OF THE
WORLD

VOLUME 3

Roxbury Drive Residence
Beverly Hills, California, USA

Arxis Design Studio

- 1 Front view of two-story home with its architecturally defined curves and lines, and natural materials that are used throughout the exterior and interior space
- 2 Detailed view of rectangular pool that is separated by an underwater wall from deep end; this design allows children to play in shallow side while east side of pool is covered
- 3 Detail of outdoor pool and house

Following pages:

View of reflecting pool with an artwork centerpiece through floor-to-ceiling glass walls that connect interior to exterior
